BPU DOCKET: EO-15030383

CERTIFICATION IN  
SUPPORT OF MOTION  
TO INTERVENE

I, Scott C. Gallopo, of full age, do hereby certify as follows:

1. I am the Mayor of the Township of Montville, Morris County, New Jersey ("Montville" or the "Township"), located at 195 Changebridge Road, Montville, New Jersey 07045. The Township of Montville moves to intervene in this matter as a Party pursuant to *N.J.S.A.* 48:2-32.2. I am familiar with the facts and circumstances concerning this matter and I make this Certification in support of the Township of Montville's Motion to Intervene.

2. Montville is a duly organized municipal corporation of the State of New Jersey. Montville operates under New Jersey's Optional Municipal Charter Law, Mayor-

Committee-Administrator Plan. The Council is comprised of five members.

3. Jersey Central Power & Light Company ("JCP&L") provides electric power to the Township of Montville. Within the Township, JCP&L services approximately 10,893 meters.

4. Montville wishes to intervene as a party in this matter because it opposes JCP&L's Verified Petition for a determination by the NJ Board of Public Utilities that its proposed Montville-Whippany 230 kV Transmission Project is reasonably necessary for the service, convenience or welfare of the public.

5. The Township seeks to intervene on the basis that 3.1 miles of the proposed transmission line is to be built within the Township of Montville.

6. For all of these reasons, and others that will be presented in these proceedings, Montville Township respectfully requests intervenor status in this matter as a party so that its interests are appropriately represented and it has the opportunity to be heard on significant issues that affect it and its residents and taxpayers. Accordingly, Montville requests that the Board designate it a party, with full rights and obligations to participate in conferences, discovery, testimony and cross-examination, and to be heard on all issues before the Board.

7. All correspondence, filings, discovery, reports, and documentation generally regarding this matter should be sent to the following persons:
