RE: In the Matter of the Petition of Atlantic City Electric Company to Reconcile and Update the Level of Its Non-Utility Generation Charge and Its Societal Benefits Charge (2018)

Dear Secretary:

By Order of the Board of Public Utilities ("Board") in BPU Docket No. ER17020091, dated November 21, 2017, regarding Atlantic City Electric Company's ("ACE" or the "Company") annual reconciliation Petition for its Non-Utility Generation Charge ("NGC") and Societal Benefits Charge ("SBC"), ACE is required to file its next NGC/SBC reconciliation Petition "on or about February 1, 2018." While the 2018 Petition is essentially complete, two individuals essential to its submittal to the Board are absent from work due to serious illness. It is anticipated that these individuals will be able to return to work next week, and that the 2018 NGC/SBC reconciliation Petition will be submitted to the Board by no later than Wednesday, February 7, 2018.

The Company respectfully requests the indulgence of the Board in this regard, and asks that the Board accept the Petition for filing at that time.

Thank you for your cooperation and courtesies. Feel free to contact the undersigned with any questions.

Respectfully submitted,

Passanante /jpr
