I am writing to you in reference to Docket No. CM20030211. I understand that the BPU is deciding whether or not to approve the Altice/ Service Electric acquisition. I am in favor of it as long as the cable/internet lines are included in Knowlton Township! We have such poor service in our area and it is starting to hurt our property values as well. During this pandemic with 2 teachers and 3 college students in our house the Internet was a nightmare! Please help us get some help! Your consideration is greatly appreciated!

Sincerely,

Kimberly Reber for all of the Rebers!
