To whom it may concern,

Reference Docket No. CM20030211.

As a resident of Knowlton Twp. It astounds me that 1 hour from the largest metropolitan areas in the US we do not have access to reliable high speed internet or cable TV services.

Knowlton and the surrounding towns have asked for approval of the sale of of Cablevision to Altice to not be approved unless Altice agrees to expand their cable/Internet lines in Knowlton. To date, Altice has not agreed to our requests.

I urge you to help provide better service to the area by making Altice put Cable lines in Knowlton Twp and the surrounding towns as a contingency for the transaction. Thank you,

Alex Weber
