**STATE OF NEW YORK** :

**COUNTY OF NASSAU** :

**I, PAUL JAMIESON**, being of full age, being duly sworn, deposes and says:

1. I am Vice President of Policy and Government Affairs for CSC TKR, LLC (hereinafter “Altice”). I am familiar with the information referenced in this affidavit. If called as a witness, I could and would testify competently to the same.

2. I submit this affidavit in support of Altice’s request for confidential and proprietary treatment of information included in Altice’s Franchise Renewal Chart (hereinafter “Franchise Chart”) sent on November 30, 2020 to Lawanda Gilbert, Director of the Board of Public Utilities’ Office of Cable Television and Telecommunications.

3. The Franchise Chart sets forth the status of various franchise areas formerly part of Service Electric Cable T.V. of New Jersey, Inc.’s service territory, including information on upcoming franchise negotiations. This information is sensitive commercial information not available

to the public. Altice is concerned that release of this commercially sensitive information could allow access by competitors and, for this reason, has redacted much of the information in the Franchise Chart.

4. The information on franchise negotiations is highly confidential and proprietary in nature. Armed with knowledge of the data set forth therein, a competitor could develop targeted market and investment strategies, including plans that could have a detrimental impact on Altice's competitive position. Therefore, public disclosure of the Franchise Chart would be of benefit to Altice's competitors because of its inherent commercial value, causing a potential substantial detrimental impact on Altice's financial position.

5. To my knowledge, the Franchise Chart has not been divulged to the general public. Altice will be taking precautions to make sure that this document does not enter the public domain.

6. Maintaining the confidentiality of the Franchise Chart will not harm the public.

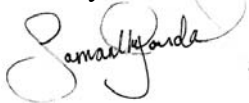

7. In view of the foregoing, it is clear the Franchise Chart contains proprietary confidential financial information, which if disclosed, could give competitors an undue competitive advantage with a potential adverse impact on Altice's financial position. For the reasons outlined above, continued confidential treatment for at least five years from the date of this affidavit is required.
