**Re: In the Matter of the Joint Petition of CSC TKR, LLC and Service Electric
Cable T.V. of New Jersey, Inc. for the Approval of the Transfer of Certificates
of Approval of Service Electric Cable T.V. of New Jersey, Inc.**

BPU Docket No. CM20030211

Dear Ms. Camacho-Welch:

On behalf of CSC TKR, LLC (“Altice USA, Inc.”) and in accordance with the Board’s directives in the above-captioned matter, we have attached a redacted version of Altice’s Franchise Renewal Chart dated January 31, 2021. The affidavit of Paul Jamieson substantiating confidential treatment of sections of the chart is also attached. A confidential version of the chart will be sent to Director Lawanda Gilbert via separate email.

Respectfully submitted,

SCHENCK, PRICE, SMITH & KING, LLP

James Eric Andrews

to the public. Altice is concerned that release of this commercially sensitive information could allow access by competitors and, for this reason, has redacted much of the information in the Franchise Chart.

4. The information on franchise negotiations is highly confidential and proprietary in nature. Armed with knowledge of the data set forth therein, a competitor could develop targeted market and investment strategies, including plans that could have a detrimental impact on Altice's competitive position. Therefore, public disclosure of the Franchise Chart would be of benefit to Altice's competitors because of its inherent commercial value, causing a potential substantial detrimental impact on Altice's financial position.

5. To my knowledge, the Franchise Chart has not been divulged to the general public. Altice will be taking precautions to make sure that this document does not enter the public domain.

6. Maintaining the confidentiality of the Franchise Chart will not harm the public.

7. In view of the foregoing, it is clear the Franchise Chart contains proprietary confidential information, which if disclosed, could give competitors an undue competitive advantage with a potential adverse impact on Altice's financial position. For the reasons outlined above, continued confidential treatment for at least five years from the date of this affidavit is required.
