Re: In the Matter of the Petition of Public Service Electric and Gas Company for Approval of a Service Agreement with PSEG Services Corporation and Transfer of Utility Assets; Docket No. EM21101204

Dear Secretary Golden:

On behalf of Public Service Electric and Gas Company (“PSE&G” or “Company”) In compliance with the Board’s June 8, 2022 Decision and Order approving Service Company Agreement Amendments in the above-captioned matter, this letter serves as notice that three positions, two Project Manager positions and one Associate Project Manager position, will transfer from PSE&G to the PSEG Service Company during July and August of, 2023. These positions correlate to the category of Environmental, Health, and Safety services within the Service Company.

There are no changes to Service Company allocations resulting from these transfers.

Consistent with the Order issued by the Board in connection with In the Matter of the New Jersey Board of Public Utilities’ Response to the COVID-19 Pandemic for a Temporary Waiver of Requirements for Certain Non-Essential Obligations, BPU Docket No. EO20030254, Order dated March 19, 2020, this document is being filed electronically with the Secretary of the Board and the New Jersey Division of Rate Counsel. No paper copies will follow.

Very truly yours,
