Re: In the Matter of the Petition of Comcast of Garden State L.P., for a Renewal Certificate of Approval to Continue to Construct, Operate, and Maintain a Cable Television System in and for the Township of Mount Holly, County of Burlington, State of New Jersey

Dear Secretary Lewis:

We write to inform you on behalf of Comcast of Garden State L.P. (“Comcast”) that, pursuant to the interim e-filing procedures adopted by the New Jersey Board of Public Utilities (the “Board”) on March 19, 2020, we have submitted a confidential and a public filing in connection with the above-referenced matter via the Board’s e-filing portal (the “Portal”).

Specifically, the confidential filing submitted via the Portal includes a copy of this letter; a confidential and unredacted version of Comcast’s Application for Renewal of a Certificate of Approval (the “Application”); and the affidavit (the “Affidavit”) of Fred DeAndrea, Comcast’s Senior Director of Government and Regulatory Affairs, in support of our request for confidential treatment of certain information in the Application. The public filing submitted via the Portal comprises a copy of this letter; the Affidavit; the Verified Petition and Verification of Comcast; and a version of the Application with the confidential information having been redacted therefrom (collectively, the “Public Filing”).

We have also sent a copy of the Public Filing via email to Sherry Marnell, Municipal Clerk for the Township of Mount Holly.

In accordance with N.J.A.C. 14:1-12 et seq., Comcast respectfully submits that certain designated information in the Application is proprietary commercial information. Accordingly, the Application does not constitute a government record under the New Jersey Open Public Records Act, P.L. 2001, c. 404 (N.J.S.A. 47:1A-1 et seq.) and is exempt from public disclosure. The Affidavit filed simultaneously with the Application substantiates Comcast's request for confidential treatment.

Thank you for your kind consideration. Please do not hesitate to contact me should you have any questions.

Very truly yours,

Stan Barrett
