**RE: Order Adopting Standardized P.L. 2022, C. 107 Reporting Template
BPU Docket No. AO20060471**

Dear Secretary Lewis:

Enclosed, please find Elizabethtown Gas Company's ("Company") Standardized P.L. 2022, C.107 Reporting Templates ("Template") for October 2024, November 2024 and December 2024. Three (3) files in total have been filed electronically today through the New Jersey Board of Public Utilities' ("Board" or "BPU") e-filing program.

Per the Board's Order dated May 10, 2023 ("May 2023 Order") in the above-referenced proceeding, September 2024 is the last month for which the Company filed the Reporting Template with 2019 Information. The May 2023 Order specifically states "the obligation of each local and public utility to complete those portions of the Template covering N.J.S.A. § 48:2-29.58(a) which draw comparison 'to the same time in 2019', expires on September 15, 2024. As such, the last month for which the data required by N.J.S.A. § 48:2-29.58(a) must be included in filings of the template with the Board is September 2024". The Q4 2024 Reporting Templates only include 2024 and 2023 information.

In accordance with the Board's March 19, 2020 and June 10, 2020 Orders issued in BPU Docket No. EO20030254, hard copies are not being provided at this time, but can be provided at a later time, if needed.

If you have any questions regarding this information, please do not hesitate to contact me.

Respectfully yours,
